

# Putting Spring in their step.

National  
Tutoring  
Programme  
Tuition Partners

Spring Tuition's vision is to connect schools and students to fully qualified teachers. We provide high quality tuition, to improve attainment and close the disadvantage gap.

**We provide:**

### **High Quality Impactful Provision**

We only work with fully qualified teachers skilled in providing the best provision for their subject specialism.

### **Continuous Professional Development**

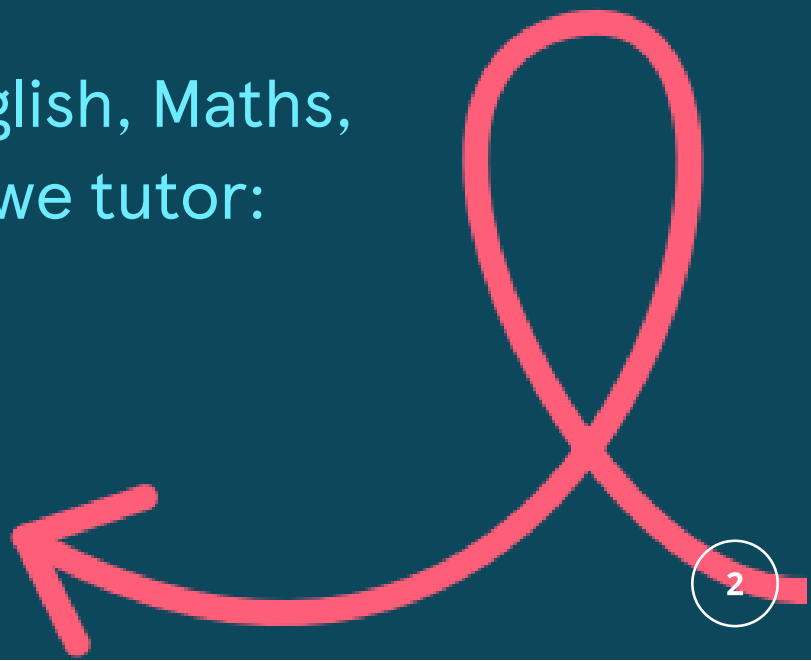

Our tutors are supported by lead teachers and have unlimited access to the National College for Teaching's Professional Development Platform.

### **Safer practice**

We adopt safer recruitment methods and ensure all our staff are enhanced DBS checked and trained in safeguarding.

Specialising in English, Maths, Science and MFL we tutor:

- **Primary**
- **11+**
- **Key Stage 3**
- **GCSE**

# National Tuition Partnership Funding

The National Tutoring Programme (NTP) provides primary and secondary schools with funding to spend on targeted academic support, delivered by trained and experienced tutors and mentors.

Core tutoring funding is provided directly to schools, giving them the freedom to decide how best to provide tutoring for their pupils.

## Spending NTP funding

Tutoring can be delivered via National Tuition Partners such as Spring Tuition, via School-led Tutoring or via academic mentors. For the year 2023/24, NTP funding can be used to pay for 50% of the total cost incurred by schools in Special School settings.

The hourly per-pupil rates are:

- **mainstream schools: £18 of which the Department for Education (DfE) subsidy will be £9 (50%)**
- **Special schools: £47 of which the DfE subsidy will be £23.50 (50%)**

## Mainstream funding

As per 2023 -2024 guidance the government will provide cover 50% of total costs at a maximum of £9 per child subsidy. This means Spring Tuition can offer the following rates:

### **1:1 for 12 weeks £396**

School cost per session, £33 per pupil, per session

### **1:2 for 12 weeks for £384**

School cost £25 for 12 weeks, £ 16 per pupil, per session

### **1:3 for 12 weeks = £300**

School cost £25 per session, £8.34 per pupil, per session

### **1:4 for 12 weeks = £300**

School cost £25 per session, £6.25 per pupil, per session

### **1:5 for 12 weeks = £300**

School cost £25 per session, £5 per pupil, per session

### **1:6 for 12 weeks = £306**

School cost £25 per session, £4.33 per pupil, per session

## Passing on mainstream funding to parents

Schools are able to collaborate with Spring Tuition to pass the Government subsidy to parents.

Spring Tuition can provide out of school hours tuition using either school space or, depending on availability, our Hebden Bridge based Spring Tuition Centre.

### Group sessions

1:3 - £8.34 per pupil,  
Parents pay £100 for 12 weeks tuition

1:4 - £6.25 per pupil  
parents pay £75 for 12 weeks tuition

**Note:** these sessions would need the full number of students listed for Spring Tuition to be able to run a group.

## Institutions eligible for higher funding

Special schools are eligible for a higher rate of funding to reflect their smaller group sizes and higher tuition costs.

The following institutions, collectively referred to as special schools, can receive the higher funding rate outlined in funding and paying for tutoring:

- local-authority-maintained special schools
- non-maintained special schools
- independent special schools, where the placement is funded by the local authority
- special academies and free schools
- alternative-provision academies and free schools
- pupil referral units
- local-authority-maintained hospital schools and hospital academies
- SEND units within mainstream schools
- resourced provision within mainstream schools
- virtual schools, where the looked-after child (LAC) attends a specialist setting

**Spring  
Tuition.**

## SEN & Alternative provision funding

As per 2023 –2024 guidance the government will provide cover 50% of total costs at a maximum of £23.50 per child subsidy. This means Spring Tuition can offer the following rates:

**1:1 for 12 weeks £252**

School cost per session, £21 per pupil, per session

**1:2 for 12 weeks for £300**

School cost £25 for 12 weeks, £12.50 per pupil, per session

**1:3 for 12 weeks = £300**

School cost £25 per session, £8.34 per pupil, per session
